

Flower Guild Notes:

Attached you will find the current version of the 2024 Flower Guild Schedule. At a minimum, flowers should be done for the Reredos and the entryway. These arrangements need to stay up through Wednesday noon. The only exception would be if a funeral were to occur on Monday, Tuesday or Wednesday.

We are now citing memorial flowers in the bulletin. If memorial flowers are designated on your Sunday, the team captain or person ordering the flowers should call the contact person to see if they want to give an arrangement for the altar and then get details for any specific flowers, colors or other requests prior to placing the order.

We expect this Calendar will change throughout the year as new members are added and when funerals and weddings are scheduled. The weddings and funerals we know of now are shown in the schedule.. We will let you know when changes do occur. We also understand that team members may change. Please let Gina Hammond (540-665-5744, hammond.gina@gmail.com) and Sandra Markus (540-878-9583, sandramarkus1@aol.com) know of these changes.

We thank you for your support and look forward to a brighter 2024.
