

Since its founding, Trinity Episcopal Church has built a storied history as a center for inspiring worship, sacred music, faith formation, and philanthropy. It is also a very special place to gather for the local community, and for people far away, all of whom call Trinity their spiritual home. As Trinity grows, our mission continues to expand. Today we continue to serve everyone by being the catalyst and gathering place for community, as well as having an ever-widening mission to the surrounding region and beyond. Trinity Church is a place where new relationships are made every day!

The leadership of the Trinity community has worked to chart the course of our future and to establish a set of priorities. We took on a strategic planning process and identified priorities for the repairs, renewal, and enhancement of our campus and programs that will require financial resources.

The Restore & Renew capital campaign is a major step toward fulfilling our mission in Christ and acting as good stewards by providing for the future of Trinity Church.

At a time when many churches are declining, by the grace of God we are growing and thriving. To keep pace with what God is doing we must, like previous generous benefactors, walk by faith and give generously so that we continue to be a place where we meet Jesus, find joy, share beauty, and serve others.

*Please join me in pledging to the
Renew & Restore capital campaign at Trinity.*

JOIN US IN PRAYER

Generous God, trusting in your love, help us to move forward to renew and restore with open and willing hearts. Guide us to continue to grow, serve, and meet new opportunities and challenges with courage, love, and steadfastness. We ask this in the name of our Lord and Savior, Jesus Christ.

Amen.
