From The Interim Rector

by The Rt. Rev. Martin G. Townsend

Hello Dear People of Trinity Church,

To say that I am looking forward to our time together over the next few months is an understatement. Thank you very much for inviting me back to Trinity for the remainder of this interim time. I arrive in the parish on January 2nd and will soon be meeting with Wardens, Vestry, Staff, and other groups to see how I can best pick up the opportunities that are now before us all. The period between installed Rectors is a time for reflection on possible new directions or points of emphasis in ministry, a time to consider our strengths and our growing edges. It is not yet clear to me how much of this work has already been done. I will look for wisdom and insight from all of you as we join in the journey ahead.

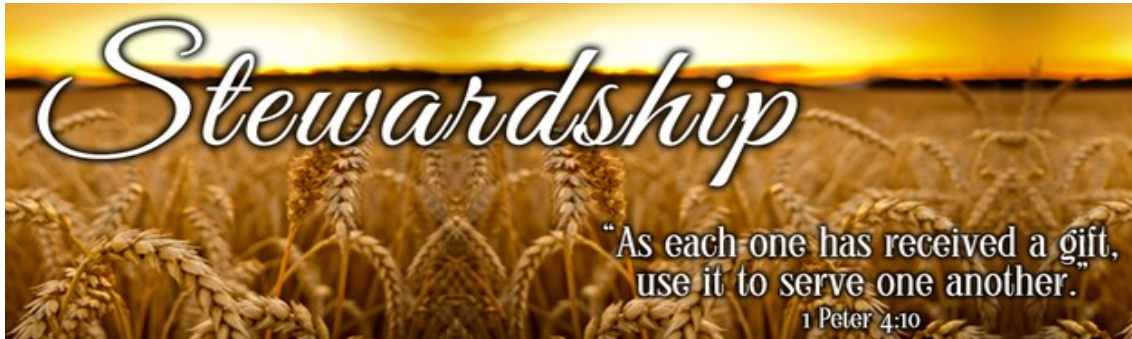

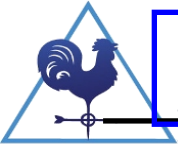

Of course I am excited to be reconnecting with old friends, and of equal importance is meeting new ones. Barbara joins me in sending you all greetings for this Christmas season and for Epiphany which we will celebrate this coming Sunday, January 5th.

Blessing and Joy for the New Year.

+Martin

HAPPY NEW YEAR!	8

Trinity is a special place. A place that is defined not just by its beautiful buildings and sweeping music, but where moments of profound joy wash across a newborn's face, where moral guidance forms, where we celebrate fellow members, and where we console one another during times of loss.

Trinity is a place where people and hearts bind together. A place where the currency of love compounds and uplifts us. Such a place is made possible by the generosity of its members.

The generosity of Trinity's members is often expressed through pledging. Pledge income represents the vast majority of Trinity's operating budget. It is the act of pledging that helps us plan for how we allocate resources to the various ministries.

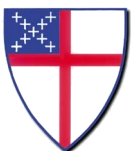

As we look to 2020, our goal is \$625,000. We are blessed to have received 117 pledges totaling \$531,305.00. We are 85% of the way there.

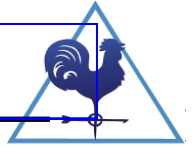

We have had 15 first-time pledges this year, and many have renewed at increased levels, and we are grateful for each and every gift, no matter the size. Additional pledges will help us renew our commitment to our children and youth.

We hope you will consider pledging whatever amount is comfortable. If you have any questions about pledging, please feel free to reach out to me or any of the Stewardship Committee members.

Faithfully,

Food Closet Requests

For the month of January, we invite all parishioners to make donations to our Food Closet. The picture below shows the common items most needed. These include canned meats (chicken, tuna, spam), canned fruits and vegetables, rice and pasta dishes, instant potatoes, soups, small condiment containers, small cereal boxes, peanut butter, jellies, evaporated milk, fruit drinks, spaghetti sauces, hashes and stews, and macaroni and cheese.

Currently we **DO NOT NEED** any boxes of dried pasta (spaghetti, noodles) or canned pinto or black beans. All other items are in high demand.

Persons visiting our Food Closet, are only able to take two plastic bags of food, and only one of each item. Please donate items in regular sized cans.

Plan on making a visit to your local supermarket or dollar store. With your help we can give the less fortunate a good start in the new year.

Please do not donate expired food.
