

RENEW & RESTORE

A capital campaign

for Trinity Episcopal Church

www.trinityupperville.org/renewandrestore

Since its founding, Trinity Episcopal Church has built a storied history as a center for inspiring worship, sacred music, faith formation, and philanthropy. It is also a special place to gather for the local community, and for people far away, all of whom call Trinity their spiritual home.

Today, at a time when many churches are declining, by the grace of God we are growing and thriving. Our ministry programs include work with children and young people, a well-respected music program, regular adult formation opportunities, a transformative outreach program, and a vibrant calendar of social events, and time to enjoy fun and friendship. At the heart of all this are times of worshipping together, through an increasingly rich and diverse range of liturgies and music, all to the glory of God.

To keep pace with what God is doing, we must walk forward in faith and give generously so that we continue to be a place where we meet Jesus, find joy, share beauty, and serve others. Read on to find out more about **Renew & Restore** at Trinity.

A CAPITAL CAMPAIGN - WHY HERE AND WHY NOW?

Since construction at Trinity was completed in 1960, the properties here have stood the test of time remarkably well. This is a testimony to their thoughtful design and fine construction. However, almost 65 years later, many of the installations, fixtures, and fittings are showing their age; many are well past their typical life span. This also presents us with a once-in-a-generation opportunity to modify, improve, and enhance our properties to incorporate the latest designs and technology; to meet current day coding requirements; to become more effective and efficient, so reducing operating costs; and to ensure that all of our properties are easily accessible to everyone who comes here.

For many years, repairs have been carried out – with increasing frequency – but we are now past the time of economical repairs. **The time to fully Renew & Restore is now** – to ensure that Trinity is fit for mission and ministry for years to come and to pass this beautiful place to the next generation in the best possible condition.

WHAT'S INVOLVED?

Renew & Restore seeks to raise \$10m in gifts and pledges to fully complete a comprehensive series of works across all the properties that make up the Trinity campus. Some of the major works include:

YOUR INVITATION...

HOW TO GIVE TO RENEW & RESTORE

The leadership and community of Trinity Episcopal Church are asking parishioners and friends to consider making a pledge, to the best of their ability, to Renew & Restore, our once-in-a-generation capital campaign. We know that not everyone can make the same size gift, but everyone can make the same size sacrifice. **All contributions from the smallest to the largest are needed and will be greatly appreciated.** There is a gift planner shown on the next page that can be used as a guideline in making your decision. Please consider the information carefully and select one that suits your family's situation. The gift planner indicates the manner in which contributions can be made: monthly, quarterly, or annually.

All the leadership of Trinity Church have already pledged to Renew & Restore, and they will openly and gladly discuss your questions and concerns. Everyone who loves Trinity is integral to the success of this critical endeavor. We turn to you, the people who call Trinity your spiritual home, because you appreciate just how much this place means to you.

AS YOU MAKE YOUR PLEDGE TO RENEW & RESTORE, PLEASE REMEMBER . . .

Payment may be made over a period of 36 months. If it is helpful, a longer payment period can be agreed upon.

Pledges are not legally binding, but rather are an indication of your intention.

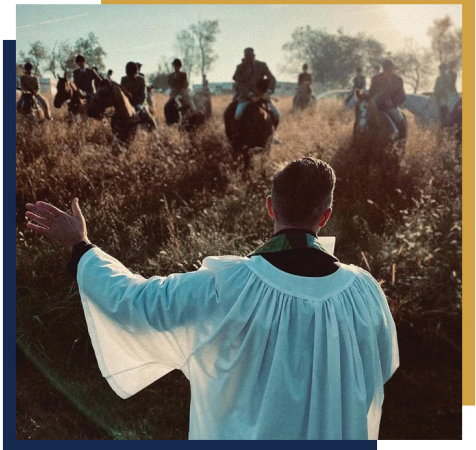

Annual payments toward your pledge are deductible for tax purposes.

Pledge payments are in addition to your regular pledge for Annual Giving. Stewardship giving pays for the day-to-day life, work, and ministry of the Trinity, while your pledge in this campaign will be used specifically for Renew & Restore.

MEMORIAL OPPORTUNITIES

Please note that your gift can be a living memorial. Renew & Restore offers a number of memorial opportunities for loved ones.

Please contact the Rector for more information on memorials.

Federal and state laws on income and inheritance taxes encourage charitable giving.
